Dear Dr Lulla

I am very pleased to congratulate you on the performance of Podar World College at the 2016/17 Institutions Annual Monitoring exercise. The committee found that the results achieved by your students were exceptional.

While all your results were extremely good, I was particularly struck by the number of subject 'Toppers' from Podar World College. This is a real testament to the commitment and professionalism of you and your staff; I commend you all on this significant accomplishment.

It was a pleasure to meet with you when you visited London before Christmas and to hear of your plans for the EMFSS programmes at Podar World College. We look forward to working closely with you to help you to achieve these ambitions and to continuing to build on your successes to date.

Please pass on our sincere thanks to everyone who has worked so hard on behalf of the EMFSS programmes and their students.

With very best wishes,

Yours sincerely,

**Professor Paul Kelly
Pro-Director for Education**
