HOST PROFILE

Ms Rubaina Shaikh

These opportunities not only help us students to develop our skills but also boost our confidence and make us prepared for the outside world and the challenges that one can face. I have been a part of both the International projects as well that we introduced by the university and have held first place for the most recent international project that took place in 2021. I look forward to the various more opportunities that will be provided to me and will look at them as a chance for improvement and exploring myself as well.
